

# GET TO KNOW MLP

## DAS PARENTS' ORIENTATION

### THIS ORIENTATION WILL HELP YOU TO UNDERSTAND HOW

- ♦ The DAS Main Literacy Programme (MLP) supports your child
- ♦ Your child's progress is monitored and is shared with you
- ♦ You can find out what else you can do to help your child

## EVERYONE IS WELCOME

This talk will benefit you regardless of whether your child is an existing student, is waiting for an assessment, waiting to be placed into a DAS class or you are keen to know more about DAS programmes.

### Q&A

There will be a Q&A segment by our panelists at the end of the session.

"I greatly appreciate this valuable webinar session and the information on how I can guide and help my child to improve. I strongly recommend this webinar as it saves time and travelling. I could also share this information with my husband who needs to work on weekends. Thank you so much for holding this webinar!"
